8<sup>th</sup> May 2018

Dear Parent/Carers

### **Car Parking**

Further to our letter dated 1<sup>st</sup> December 2017, a copy of which can be found on our school Web-site, it has been noted that parents are again starting to park on the school site at the start and end of the day. The decision had been made in December to remove the option of parental parking in the school car park for the general safety of all students.

If you are dropping your child off and wish to join the taxi queue, in the morning a member of staff will come and assist with taking your child into school. Likewise, in the evening please could you kindly remain in your car and your child will be called for you. Please be aware that the speed limit within the school grounds is 5 miles per hour, again for the safety of our students.

While we are aware that this is not an uncommon request and that many schools do not have facilities for parent parking, last year we had the capacity to allow for this to take place. Now the school has grown and the number of school transport vehicles has increased significantly, the risk of injury to our students and parents has resulted in this no longer being sustainable. This will also increase again in September and parking spaces will be limited due to additional staffing.

There is free public car parking close to the school that you may wish to use located further up Ashby Road at the Phoenix Centre, or alternatively the car park on Chaucer Way almost opposite the school (accessed via the zebra crossing, just a few metres up from our school gate). We would also appreciate it if you could use the path when walking to the front of the school and not cut across the disable car park bays when vehicles are trying to leave the school.

Thank you in advance for your co-operation and should you have any questions, please do not hesitate to contact the school office.

Yours faithfully

Miss C Whysall  
Headteacher
