
Provision Guide and helpful information to support next steps into Post 16

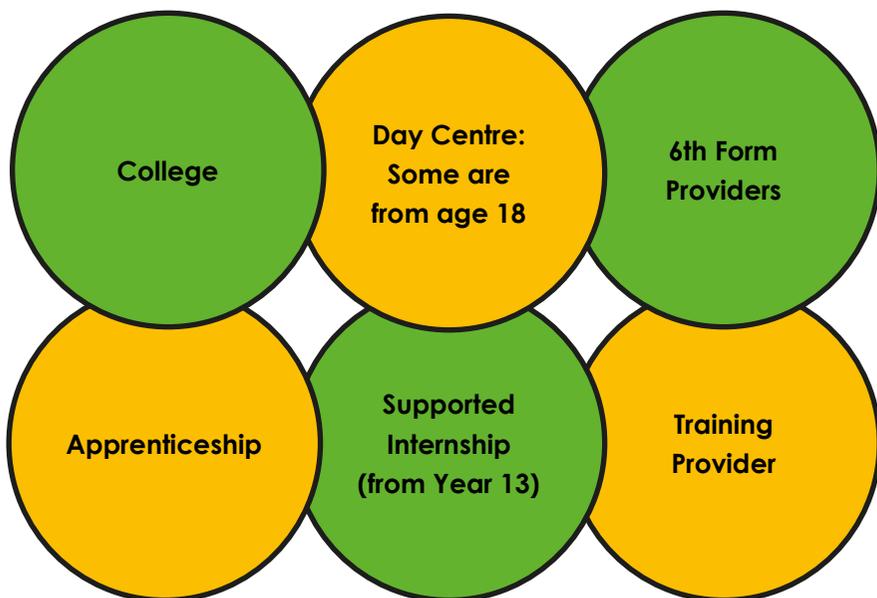

This Guide has been created to sign post families to additional post 16 providers.

Please note we do not recommend one provision over another and this is a selection, and not all are included.

If you require any further assistance or support please contact Stacey Drake—Careers Lead
S.drake@daventryhillschool.org.uk

Once a young person finishes year 11, you have to apply for a post 16 provision, this has to be completed even if you staying on with the same providers. Paperwork will be sent out by the EHCP team in October–November, and will need to be returned usually by mid December. These date vary year on year. Transport needs to be applied for through the EHCP team also. This can occur a cost post 16.

Colleges & independent training

Within Northamptonshire there are a variety of colleges offering a range of courses, programmes and qualifications. Please note most college courses are only 3 days a week.

Door to Door transport needs to be applied for through the EHCP team. Most colleges offer their own alternative to this, please check with the provider for further details.

When applying for a college course please inform them the young person has an EHCP, and they fit the entry requirements. A tour in advance is recommended.

What's important to your child/young person for the future?

Next steps:

What are the priorities?

- Employment
- Leisure
- Day-care opportunities
- Friendships & Relationships
- Community inclusion
- Health
- Transport
- Social care

Personal Independence payment (PIP)

Helps with some of the extra costs of a disability if you are aged 16-64. Pip is the replacement of DLA.

Does the young person have a free bus pass?

Did you know that you need a social worker to access funding for day services or a personal assistant?

Did you know that you have to apply for transport once your young person moves into post 16 education? This could incur a cost.

Did you know that child benefit needs to stop if your young person now receive employment support allowance?

Additional Funding information and helpful links

<p><u>Understanding PIP/ DLA</u></p> <p>www.gov.uk/browse/benefits</p>	<p>Person Independence payment</p> <p>PIP is a benefit that helps with the extra costs of a long term health condition or disability for people aged 16 - 64. It has replaced DLA.</p>
<p><u>Carers Allowance</u></p> <p>www.gov.uk/carers-allowance</p>	<p>Money for people who spend at least 35 hours a week providing a regular care to someone who has a disability. The person you care for must be getting a relevant benefit because of their disability.</p>
<p><u>Employment and Support Allowance (ESA)</u></p> <p>www.gov.uk/employment-support-allowance</p>	<p>A benefit for people who are unable to work due to illness or disability. There are 2 types of ESA. You may be entitled to claim both. You cannot receive child benefit and ESA at the same time. You must inform children benefit if receiving ESA.</p>
<p><u>Disabled Facilities Grant (DFG)</u></p> <p>www.gov.uk/disabled-facilities-grants</p>	<p>Available from the local authority to pay for essential housing adaptations to help disabled people stay in the home.</p>

Benefits and work: www.benefitsandwork.co.uk

Daventry Hill School is pleased to announce from September 2019, we are offering the Foundations for the Future curriculum along with schools across Creating Tomorrow MAT.

The Creating Tomorrow MAT has been nationally recognised for the Foundations for the Future curriculum and its success in preparing post 16 students for adult life. The curriculum has achieved outstanding outcomes which has led to local authorities from outside of Northamptonshire commissioning the trust to advise and implement the curriculum across schools in their authority.

An example of these outstanding outcomes is that from one pathway a 75% employment rate was achieved with the national average of people with learning needs being below 5%.

The post 16 offer is a 5 days a week personalised programme based on the young persons need and aspirations.

The main four strands that build up the curriculum of post 16 are:

Please contact S. Drake if you are a provider that would like to be included in this guide.
