## COVID-19 Update

Dear families,

I hope that you are all well.

You will be hearing in the press that the government is considering how to raise lockdown restrictions to get the country back to some sort of normality. This of course includes our schools re-opening further.

The Headteachers and Trust Leadership Team are looking carefully at how we can move to opening our schools further and are awaiting government guidance. There are a number of you that will have concerns about how this process will be undertaken however, I must re-iterate as with previous letters to you, our number one priority will be the health, safety and wellbeing of your child and our staff.

As soon as we have clear plans as to how the schools will further open we will contact you.

There are a number of considerations we are taking, such as a 'recovery curriculum' - supporting the mental health and wellbeing of students and helping them back into the routine of school.

Please look after yourselves and your loved ones

Yours faithfully

Kevin Latham
