Planned Expenditure					
Academic Year	2020-2021				
Desired Outcome	Chosen action/ approach	What is the evidence and rationale for this choice?	Details of Plan	Purpose	Cost
<b>A. To engage pupils in physical activity to kick-start healthy lifestyles</b>					
1. Increased physical activity during unstructured times of day	Development of outdoor play equipment	Analysis of behaviour data indicates that students find play and break times difficult due to lack of activities to engage them. Pupil voice informs us that there is a need options of more physical activities.	Playground Development Phase 3:  1. FAF - Adult Air Walker including fixing post 2. FAF - Adult Elliptical Cross Trainer including fixing post 3. FAF - Adult Double Cross Country Skier including fixing post	Increase physical movement, agility, balance, fine motor control, coordination, engage in competition, gain increased confidence and sense of wellbeing	£3640.00
2. Improved pupil swimming ability across KS2	Swimming Lessons at Daventry Leisure Center	Necessity to support pupil's ability to swim 25m by end of year 6, with increased water confidence and water safety training	All KS2 classes to attend swimming lessons with two trained swimming teachers for a min of 6 weeks per year.		£245 per term x 4 Term  £980.00
3. Improved student confidence and ability to ride a bike, and road	Development of bicycle confidence through targeted training	Healthy life skill transferable to home	Bikability course booked for summer term Resources purchased to support the activity	Ensure all pupils have access to PE and appropriate equipment	£798 for professional instructor - 72 pupils  Shed for Bike storage £1800

safety awareness					
<b>B. The profile and quality of delivery of PE and Sports is raised across the school</b>					
4. Raise the profile of PE and sports across the school	Employ a sports coach Improve sporting options	Current low profile of physical education and benefit to students	Sports and PE coach employed Introduce termly intra school competitive sport £500 Access competitive sport with other schools termly £500	Ensure all pupils have access to high quality PE lessons	£1000
<b>C. To increase confidence, knowledge and skills of identified staff in the area of PE and Sports</b>					
Increased confidence, knowledge and skill of identified staff in teaching PE and sports across the school	Sports coach attend Real PE training and sports specific professional development to improve pedagogy. Ensure ability of sports coach to support other key staff in delivering effecting physical education and sport.	Learning walks indicate a lack of staff confidence in delivering quality PE lessons.	Sport coach employed Sports coach attend Real PE training Sports coach support training and development of staff in delivering effective physical education and sport	Ensure all pupils have access to high quality PE lessons	£500
<b>D. To broaden the range of physical activities available to pupils.</b>					
Broader experience of a range of physical activities available to pupils.	Development of the forest school/bush craft area	To allow children learn to assess, appreciate and take risks, making sensible, informed decisions about how to tackle the activities and	Employment of Forest School Coordinator Development of Forest school area on site	To enable students to be self-sufficient and take care of themselves, which boosts their confidence and self-esteem.	£9000

		experiences they encounter.			
				Overall Budget	£16719
