

Career Guidance appointment

 A career adviser is someone who gives information, advice and

 guidance to help you make choices about your

 education, training, work and things that may affect your

 future. This usually happens when you are in Skills for life,

 but it can happen any time. Stacey is our careers adviser at

 school.

 You will be told in advance when you are going to

 have your appointment. You can have the conversation as a 1:1 or

 in a small group. The sessions will take place in the

 employability room.

 You can talk to  Stacey about:

 what you would like to do in the future

 Your interests and jobs you might like to do

 Interview preparation

 worries and concerns for the future

 practicing for interviews

 completing application forms

 Exploring different providers you might want to go
